

Student Email

This year the district is providing online access to email for students using Microsoft Live.

To access this email account, students will need to go to the following web address:

<http://mail.office365.com>

In the login in screen, the student will type in:

Username

first.lastxxx@mckinneyschools.net *(the username is also their email address)*

(xxx being the last three of their id number)

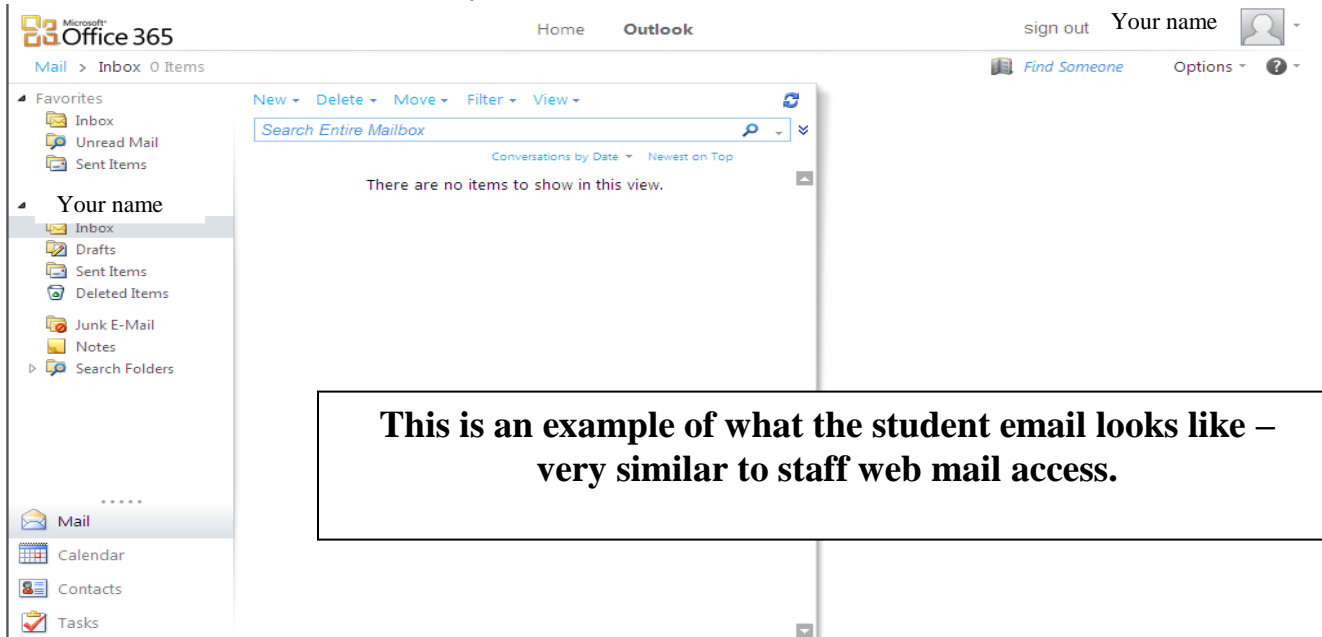

Password:

(birthdate) mmddyyyy

Students will also have access to **25GB of online storage** for documents and photos as well as use of the Microsoft Office 365 applications (online versions of Word, Excel, PowerPoint, and One Note)

To access the skydrive, students will need to either click on the icon if they are already logged in to their email OR they can go to the following web address: <https://skydrive.live.com>

The Username and Password for the Skydrive is the same for both sites.

Online Storage
